NDDOT reminds motorists to drive safely this holiday weekend and call 511 to check out road information before you travel

The 4th of July weekend is a busy time for travel in North Dakota. Many people are visiting friends and relatives, going boating, camping or taking advantage of the long weekend and enjoying some of the state's beautiful scenery. As you travel, the North Dakota Department of Transportation (NDDOT) reminds motorists they can plan ahead by calling 511 from any type of phone or looking at the Travel Information map on the NDDOT website at www.dot.nd.gov to receive the most current road conditions.

Many areas are affected by flooding or wet conditions across the state so motorists should remain cautious on roadways and allow for extra travel time to get to their destination.

The NDDOT urges motorists to drive safely by always buckling seat belts and obeying posted signs. Roads are closed for the safety of the traveling public. Please remember when a road is closed it is illegal to go around barricades and motorists can be fined
